Candice Loosemore

Hi, my name is Candice and I work in the deeds department of mortgages. I do admin and telephony and have been with TSB for 5 years.

I'm enthusiastic about being able to help Accord members with any issues that they might experience. I have excellent listening skills from years of hairdressing and my best personal achievement was completing a degree at 49 which enabled me to change my career at 50. I never want to stop learning and am looking forward to the challenges that being an Accord rep may bring.

I have a grown up family and enjoy singing with Rock Choir, line dancing and cross stitch. I believe that a good relationship with employers makes for happy workers and in return employers receive excellent returns.

Bridie Hudson

Hi, I'm Bridie. I currently work in the Tailored Support Team but have previously worked in branch. I've been with TSB for 7 years.

I'm married to Gareth and we have two amazing children, Frazer and Taylor. I have 3 four legged friends; Molly and Rosie my two dogs, and my little rescue cat Teddy.

I became an Accord rep because I love to help people and am interested to hear how people are getting on. So, if you've something on your mind, please come and say 'Hi' if you see me in Barnwood or you can always drop me an email or Teams message.

All conversations are completely confidential and I look forward to speaking to you.

Sam Bate

Hi, I'm Sam. I also work in the Tailored Support team with Bridie who is also an Accord representative.

I joined the bank in 2022 having previously worked at Nando's! I love my sports; rugby, football, cricket & golf amongst many others. I am approachable and always available via Teams or email.

I initially joined Accord because of the travel club benefit... who doesn't love a bargain - especially going on holiday! But I also want to strive for better working opportunities for TSB staff and giving colleagues a voice at work. I am usually in Barnwood once a week (sometimes more).

Please pop to see me on the second floor or drop me a DM on Teams.

Furrukh Riaz

Hi, I'm Furrukh. I'm an Assistant Capability Manager and the lead rep for Accord in Barnwood.

I've had various roles within my career - all of which has been gained through hard work but with the support and guidance of others. I am where I am today because people have helped me along the way, and I want to do that for others. I get great satisfaction from seeing others do well and succeed.

Being an Accord rep means I can support colleagues who need a helping hand or maybe just a nudge in the right direction. My role will also help me give a voice to those who might not have the experience or confidence to speak for themselves.
