

Find your local rep

We've made it easier for members to find and contact their local representative by adding a new search function to our website.

How to find your local rep:

- ✔ Go to: www.accord-myunion.org
- ✔ Under the 'Get Support' menu - select 'Find your local rep'
- ✔ **Select your employer** from the drop-down box e.g. Halifax Branch
- ✔ **Select your workplace** from the next drop-down box (you can either scroll through the list or start typing your workplace name in the field provided)
- ✔ You'll be presented with the local reps for your workplace - the first point of contact should be your workplace rep (branch network) or site rep (large sites).

If you don't currently have a rep for your workplace, or you can't find your workplace, you should contact Accord HQ or your local Accord officer. Visit the 'Contact' page on the Accord website for more information.
